

8-Port Electrical Optical Port Industrial-Grade Switch

Engineered for industries such as manufacturing, oil & gas, transportation, and smart infrastructure, this 8-Port Industrial Managed Ethernet PoE switch delivers consistent performance even in extreme ...

The ECO Switch also connects up to eight network devices to your ETHERNET network with transmission rates of 10, 100 or 1,000 Mbit/s. Designed for a temperature range between 0 and 60°C, ...

This smart switch features eight PoE ports capable of powering compatible PoE appliances and devices, such as VoIP phones and IP surveillance cameras, without the expense and effort of running ...

The Intellinet Network Solutions Industrial PoE Powered 8-Port Gigabit Ethernet Switch is designed to take power from a PoE switch or injector and pass both data and electrical power to PoE-compatible ...

Gigabit 2 Optical Port 8 Electrical Port Industrial Ethernet Switch (GL-7028G Series) Use high-quality photoelectric integrated modules to provide good optical and electrical characteristics Ensure reliable ...

Built with a temperature-hardened, DIN-rail mount design, this industrial switch powers and connects devices like IP cameras, sensors, and IoT endpoints in challenging environments while ensuring ...

Adding this switch, you can connect more than one remote powered devices in the same area without dealing with dedicated electrical AC outlets issue. Industrial grade, wide range input power, and build ...

IES3100-8TF is equipped with rugged IP40 metal enclosure to withstand a high degree of vibration and shock while operating in industrial environments from -40 to 75°C. The compact switch supports DIN ...

IES3100-8TF is equipped with rugged IP40 metal enclosure to withstand a high ...

Boasting a versatile product line, flexible port configurations, and an industrial-grade management interface, this switch offers a comprehensive security protection system, seamless ring network ...

This 8-port managed industrial PoE++ Gigabit switch includes two SFP+ data ports allowing you to connect extra devices depending on your needs. This ruggedized industrial switch is developed for ...

8-Port Electrical Optical Port **Industrial-Grade Switch**
