

Australian Long-Distance Optical Transceiver QSFP-DD

Many network operators compare QSFP-DD vs. OSFP when selecting transceivers for 400G and 800G deployments. While both form factors support high-speed ...

The high performance and low power of the 400G QSFP-DD ULH ...

The high performance and low power of the 400G QSFP-DD ULH module make it an optimal choice to extend Routed Optical Networking use cases to regional and ultra-long-haul ...

Many network operators compare QSFP-DD vs. OSFP when selecting transceivers for 400G and 800G deployments. While both form factors support high-speed networking, they differ in design, ...

This transceiver is compliant with OIF 400ZR and QSFP-DD MSA standards. It is intended to be used in conjunction with a host platform to support 400G transmission over optical links in DCI applications.

Quad Small Form-factor Pluggable Double Density (QSFP-DD) solution that fits into high-density switch and router client ports for optical interconnect links

To accommodate an increasing spectrum of applications, Arista offers a wide choice of OSFP, QSFP-DD, QSFP, SFP, SFP-DD and DSFP transceivers and cables that comply with industry standards, ...

The emerging OIF 400ZR and Open ZR+ MSA coherent transceivers in QSFP-DD and OSFP form factors generally have low transmit output power (-10 dBm), making them incompatible with ROADM ...

The 400G QSFP-DD ZR+ is a C-Band optical frequency tunable coherent optical module, combines 7nm coherent DSP ASIC functionality with best in class ultra-narrow line-width tunable ...

Home / Accessories / QSFP-DD, 400Gb, LR4 optical transceiver, long reach 10km, SMF, 1310nm LC duplex

Supporting the OpenZR+ Multi-Source Agreement (MSA), the new 400G OpenZR+ QSFP-DD Optical Module from Molex provides a high level of performance and scalability for next-gen data centers ...

NEC's 100G QSFP28 ZR DCO is a pluggable optical transceiver designed specifically for 100G, featuring a QSFP28 form factor that enables low power consumption and long-distance transmission ...

Australian Long-Distance Transceiver QSFP-DD
