

Carrier backbone network industrial-grade optical switch SFP

Developed specifically to withstand the harshest industrial environments, these switches offer the most flexible and scalable industrial Ethernet platform that grows with your network.

Long-haul backbone (80-120km): Coherent optical modules (C-band/DWDM) - ultra-high capacity Carrier aggregation: 1.6T WDM modules - high bandwidth efficiency

CTC Union offers a full spectrum of products, including Industrial SFP Transceiver, Industrial Ethernet, PoE, EN50155 and E-Mark certified switches. CTC Union's goal is to provide reliable, temperature ...

Our switches are built for high network flexibility, cyber security and durability and are suitable for use in mission-critical environments.

Explore industrial fiber optic Ethernet switches from a direct manufacturer. SFP, single-mode and multimode fiber switches available in unmanaged and managed designs.

Equipped with dual 10G SFP+ uplink ports and 9K jumbo frame support, our switch delivers 10x higher bandwidth than standard industrial switches while maintaining full backward compatibility with ...

The HGW-802SM-BT is a 10-port Gigabit Ethernet Managed Switch with 8-port 10/100/1000Base-T (X) and 2-port 100/1000Base-X SFP slot for optical fiber providing stable and reliable transmission for ...

NEU1081G is a compact gigabit industrial Ethernet fiber optic switch built for plug-and-play deployment. With 8x RJ45 and 1x 1G SFP port, it connects local devices on copper and uplinks to the backbone ...

Featuring a 10Gbps uplink, the IGS-1000-8T4X is suitable for connecting to an industrial backbone or high-capacity servers. Operating flawlessly across an extensive temperature range, it guarantees a ...

CTC Union offers a full spectrum of products, including Industrial SFP Transceiver, Industrial Ethernet, PoE, EN50155 and E-Mark certified switches. CTC Union's ...

KBC Networks offer a wide range of rugged industrial grade switches from small 2 port PoE++ switches with 90W of power up to full 24 port SFP Gigabit Switches with 10G backbone.

Carrier backbone network industrial-grade optical switch SFP
