

US Conec manufactures durable, composite, Polyphenylene Sulfide (PPS) based thermoplastic ferrules available with up to 72 fiber holes that terminate 125 micrometer optical fiber. The alignment ...

Round Type SC Fast Connectors are a quick and easy way to terminate fiber optic cables. They are designed to be used without epoxy, polishing, splicing, or heating, and can achieve similar ...

With proven field-installable connector technology, fiber terminations are fast, easy, and reliable. Corning high-precision mechanical splice technology enables fiber optic networks to be installed quickly and ...

Shop DigiKey's large in-stock selection of Fiber Optic Connector Adapters. View inventory, pricing and order now for same day shipping!

LC Field The LC Field Fiber Optic Connector is sealed against fluids and dust, no cabling operation in field and no tools required for installation.

Using a precision-aligned, factory pre-polished ceramic ferrule, this connector enables fast on-site fiber connection while maintaining stable optical performance.

Circular Fiber Optic Connectors are available at Mouser Electronics. Mouser offers inventory, pricing, & datasheets for Circular Fiber Optic Connectors.

They are perfectly suited for Fiber To The Home (FTTH) projects and compatible with fiber optic cables specifically with a diameter of 0.125mm and an outer diameter of 0.250mm.

FASTConnect<sup>®</sup> connectors are compatible with 250  $\mu$ m and 900  $\mu$ m optical fibers, as well as 900  $\mu$ m, 2 mm and 3 mm cordage. All primary fiber types are supported, and each connector is color coded per ...

About this item ?Stable transmission?Telecom level standard SC for APC fast cold connector (Insertion Loss  $\leq$  0.3dB, Return Loss:  $\geq$  50dB) with A-level tricyclic ceramic core, which can be reused ...
