

Advantech's industrial Ethernet solutions provide an abundance of product options including managed and unmanaged switches, Gigabit Ethernet switches, PoE switches (IEEE 802.3af and IEEE ...

Unleash your network's power with our high-performance Gigabit switches! Experience lightning-fast speeds, upgrade to 1 Gbps, 10 Gbps, or higher, and enjoy transfers 100 times faster than Fast ...

Shop for TRENDnet 7-Port Industrial Gigabit PoE++ DIN-Rail Switch, TI-UPG62, 240W Power Budget, 14Gbps Switching Capacity, IP50 Rated Housing, NDAA & TAA Compliant, Lifetime Manufacturer ...

With a range of port configurations and support for Gigabit speeds and higher, it's easy to find an unmanaged PoE switch or external non gaming Ethernet switches that match your specific ...

Intellinet offers a growing segment of these solutions to fit these industrial environments -- places like warehouses, factories, plants, transport vehicles and other locations -- that make those connections ...

Thoughtful features such as DIN rail mounting, Power over Ethernet (PoE) ports and rugged metal cases make these switches a great choice when deploying or expanding an Ethernet network in your facility.

With high-speed 10-GE uplinks, high-wattage PoE options, ultra-low jitter, advanced network security features, and device-to-cloud performance monitoring with the Cisco ThousandEyes agent, these ...

Digisol industrial switches consist of Unmanaged Din-Rail Industrial PoE Gigabit Switch, Unmanaged Industrial Switch, L2 Managed Din-Rail Industrial Gigabit PoE Switch & L2 Managed Din-Rail ...

Our Industrial Ethernet Switch portfolio comprises Managed and Unmanaged Switches with Gigabit, PoE, IEC 61850 certification, and for DIN rail mounting. This gives you the flexibility to build powerful ...

Unmanaged and managed switches in various designs are available to enhance performance and security. These robust switches are designed for industrial use and are fully compliant with IEEE ...
