

Afaq ICT Company has a team of highly skilled and experienced professionals who are dedicated to providing the best possible service to their clients. They use the latest tools and technologies to ...

We design and manufacture various types of VBG-based holographic optical elements (HOE) in photo-thermo-refractive glass. The gratings can be manufactured in Reflective, Transmitting and Chirped ...

Optical Gratings are optical components that consist of a periodic structure of parallel slits or grooves etched or ruled onto a substrate material. The leading manufacturers of Gratings are listed below. ...

We specialize in custom fabrication of fiber optical gratings (FBG) across wavelengths from 400 nm to 2000 nm, tailored to precise customer specifications.

This fiber Bragg gratings buying guide provides technical background, comparison of major types, selection criteria, and an overview of suppliers.

Technical Engineering company (TECO) has established in 2015 by Engineer Moaid Al Hejazi in Benghazi, Libya. It works in electrical and mechanical engineering fields such as supply chain and ...

OptiGrate's BragGrate(TM) Pulse is the first commercially available Chirped Bragg Grating (CBG) based product designed for the stretching and compression of ultra-short (femtosecond and picosecond) ...

Fiber-optic whether being indoor installation or broad networks buried fiber Optic / suspended over power Grids, Cetel takes responsibility in carrying out all engineering, construction, installation and ...

The new fiber technology, will answer all your current and future high bandwidth needs, both for downloads or uploads, allowing you to connect all of your devices at home simultaneously while ...
