

# Luxembourg FOB Price Single Fiber Bidirectional 100G

With an extensive range of QSFP28 100G Bidis available, we can now offer single fiber 100G connectivity for links up to 40km. Introducing the ...

Upgrading from 10G to 100G no longer requires complex fiber builds. Our QSFP28 Bidirectional (Bidi) transceivers delivers high-speed 100G connectivity over a single strand of fiber, ...

NEC's 100G QSFP28 BiDi optical transceiver enables the transmission and reception of 100Gb/s high-speed data over a single optical fiber. By enabling bidirectional transmission over a single fiber, this ...

Ascent Optics' QSP-100B132-20CL BIDI QSFP28 LR 100G single fiber optical transceiver module (Tx1310 / Rx1290nm) are designed for use in 100 Gigabit Ethernet links over 20km single mode fiber.

The EDGEOPTIC BIDI-100G-QSFP28-80A is a 100G BiDi ...

The QSFP 100G SR BIDI is a parallel QuadSmall Form-factor ...

The QSFP28 transceiver provides 100GBase-BX throughput up to 20km over ...

QSFP28 transceiver that supports 100G connections up to 10 km using single-mode fiber with a duplex LC UPC connector.

The QSFP 100G SR BIDI is a parallel QuadSmall Form-factor Pluggable (QSFP28) Bi-Direction optical module that supports 100 Gbps bit rates. The module integrates four host electrical data into two ...

Teroline single fiber bidirectional QSFP28 module for 100G applications over single mode optical fiber. The module can be used with any network device that accepts standard MSA transceivers - e.g. D ...

The EDGEOPTIC BIDI-100G-QSFP28-80A is a 100G BiDi QSFP28 transceiver for 100 Gigabit Ethernet over single-mode fiber, with single-fiber bidirectional connectivity and 80km reach.

Bidirectional transceivers transmit and receive optical signals through a single fiber, saving optical fiber resources. This is useful where fiber resources are scarce and reduces the cost of cabling ...

With an extensive range of QSFP28 100G Bidis available, we can now offer single fiber 100G connectivity for links up to 40km. Introducing the newest member of our product lineup, the ...

# Luxembourg FOB Price Single Fiber Bidirectional 100G

The QSFP28 transceiver provides 100GBase-BX throughput up to 20km over single-mode fiber (SMF) using a wavelength of 1310nmTx/1280nmRx via an LC connector. This bidirectional unit must be ...
