

# Manufacturer of 1000mm deep four-port information panel

The command panel and support arm/stand systems are perfectly coordinated, and may be combined to meet your individual requirements in terms of design, functionality and ergonomics.

You can break each 100-Gbps port into four 10-Gbps or four 25-Gbps ports using the supported breakout cables. For E2/1 the new interfaces are named E2/1/1, E2/1/2, E2/1/3 and E2/1/4.
