Price and other details may vary based on product size and color. Need help?

A clean splice is a happy splice--and a fusion splicer gives you low-loss, high-strength connections every time. Aligns fiber ends and fuses them using an electric arc.

Provides a low loss, low return loss, and reliable connection that surpasses the failure prone mechanical connector. Splice on connectors also allow for easier fiber routing, which reduces fiber preparation ...

Fiber Instrument Sales has a wide variety of fiber optic splicing equipment such as fusion splicers from AFL, Sumitomo, FITELE, and FIS. FIS also splicing tools and accessories such as cleavers, thermal ...
