

We use Geospatial Information System mapping to estimate PM₁₀ concentrations for the 14 administrative districts within Senegal.

We simulate four multi-day dust events using the Weather, Research and Forecasting Chemistry (WRF-CHEM) in Senegal during December 2016, December 2017, February 2019, and March 2019.

Analysis of the mechanisms shows that the presence of dust in Senegal and its surrounding regions is detected up to four days before the onset of HWs. These findings suggest that ...

Discover Senegal. Explore Senegal facts, culture, history & comprehensive country profile with maps, statistics & research resources for students & travelers.

The Republic of Senegal is secular, social and a constitutional democracy. It ensures equality before the law of all its citizens, without distinction of origin, race, sex and religion.

There are limited warnings established for dust storms in Senegal, with only a small population of the country having access to the government alerts. Synoptic scale features can drive the storms, with ...

Senegal, officially the Republic of Senegal, is the westernmost country in West Africa, situated along the Atlantic Ocean coast. It borders Mauritania to the north, Mali to the east, Guinea to the ...

Senegal is a country in western Africa. Located at the westernmost point of the continent and served by multiple air and maritime travel routes, Senegal is known as the "Gateway to Africa." ...

Measurements in Dakar, Senegal, suggest hazardous PM₁₀ concentrations associated with Saharan dust storms but lower PM₁₀ concentrations during the summer. The WRF dust ...

ABSTRACT In the framework of the Saharan Mineral Dust Experiment (SAMUM) in 2008, the mixing of the urban pollution plume of Dakar (Senegal) with mineral dust was studied in detail ...

Provides an overview of Senegal, including key dates and facts about this west African country.

Port De Praia : Un Virus Mortel Détecté Sur Un Paquebot, Faut-il S'inquiéter ?
Abdourahmane Diouf : « Ce Serait La Fin De La République Si...

Visit Senegal for a peek into West African culture and history. Here's my detailed Senegal travel guide and itinerary. Perched on the westernmost tip of Africa, Senegal beats to a ...
