

We carry Fiber Optic fusion splicers, cleavers, OTDRs, cables, panels, laser sources, power meters, and many other Fiber Optic products for any project.

High quality pre-terminated 900&#181;m optical fiber pigtails with LC, SC, ST connectors for fiber splicing applications. Choose from single mode, multimode and 10G OM3/OM4 fibers.

FS offers single mode & multimode fiber pigtails with tight buffer design for easy fusion or mechanical splicing. Quality assurance by 100% end-face, IL & RL testing.

Fiber Optic Pigtail assemblies are utilised in terminating fiber optic cables via fusion splicing. Iveonet (TM) offers a wide range of pigtails, designed and manufactured for demanding network applications, ...

Leviton fiber optic pigtail kits are a good solution for mechanical or fusion splicing applications. Available in a range of multimode and single-mode fibers with SC, ST or LC connectors. Our premium pigtails ...

OptoSpan Fiber Optic Pigtails have been developed to provide high performance, easy to manage fiber splices. Fiber optic pigtails are available in simplex (1) or 12-fiber solutions, as well as Single-mode ...

Fiber optic pigtails are tight buffered fiber cables with a pre-terminated connector on one end and exposed fiber on the other. Our fiber pigtails are available in single mode fiber and multimode fiber ...

CommScope engineers and manufactures a complete line of high quality fiber pigtails

Find high-quality fiber optic pigtails for reliable network termination. We offer a full range of single mode and multimode pigtails with SC, LC, ST, and FC connectors.

Our fiber optic pigtail offers a flexible solution for your data centers and telecom rooms, connecting existing equipment to spliced fiber optic lines for network expansion.
