

The Westermo range of industrial Ethernet switches are designed for use in harsh environments and allow you to build cost-effective, reliable, secure industrial networks.

EtherWAN delivers industrial-grade Ethernet solutions including managed switches, media converters, and rugged network devices designed for harsh environments. Trusted by smart transportation, ...

Latest Sudan Network Tenders, Government Bids, RFP and other public procurement notices related to Network from Sudan. Users can register and get updated information on Sudan Government ...

These robust switches are designed for industrial use and are fully compliant with IEEE 802.3, IEEE 802.3u and IEEE 802.3ab. PoE + Ethernet switches are ...

The focus of the LPO MSA is to specify module and network equipment level interoperability requirements that span both electrical and optical technologies. Starting at 100 Gb/s per lane, the ...

It offers high performance and reliability for high bandwidth aggregation and access network applications. The 10G and 25G SFP links provide the necessary backbone capacity to meet the high ...

Our Industrial Ethernet Switch portfolio comprises Managed and Unmanaged Switches with Gigabit, PoE, IEC 61850 certification, and for DIN rail mounting.

EtherWAN delivers industrial-grade Ethernet solutions including managed switches, media converters, and rugged network devices designed for harsh environments. ...

The U.S. Embassy Juba, South Sudan would like to invite your company to submit quotation for Provision of Dedicated 300/300 Mbps Fiber Internet Connectivity with Full Redundancy ...

These robust switches are designed for industrial use and are fully compliant with IEEE 802.3, IEEE 802.3u and IEEE 802.3ab. PoE + Ethernet switches are offered with 30W per channel. 60W and ...

We offer solutions that provide seamless transmission and conversion from Ethernet media to multimode or singlemode fiber. Our Ethernet network switches with fiber ports comes in managed or ...
